## Tilak Ayurved Mahavidyalaya, Pune

### Department of Rachana Sharir

**Overview:** Department of Rachana Sharir is equipped with state of art models, self-explanatory charts, and fine specimens ranging from fetuses to complete spinal cord with brain. Department provides expert knowledge of both Ayurvedic principles and modern Anatomical skills. Department also runs body donation program which facilitates our students to gain precise anatomical knowledge through dissection. Department encourages various researches, departmental projects to be conducted by our keen post-graduate students and faculty. Department also emphasizes on application-based learning of Ayurvedic principles for our students, both under-graduate and post-graduate.
